MEDIA INFORMATION KIT 2018

The Traveller Trails magazine is a print and online publication. The magazine provides fair and independent travel information that inspires travel. With a purpose to promote hidden tourist destinations, our team has undergone extra mile to get it in its present shape. Everything you need to know about a place can be quickly witnessed in the magazine. We stimulate people to learn about diverse destinations with our highly informative and encouraging articles before you plan and book your dream vacation. The magazine feature stories on some of the favorite holiday destinations, off-the-beaten-track locations, inspiring news, and blogs.
